

Australian Shepherds Of All Sizes

If you wish to reserve a puppy, please complete the form below. We screen all potential dog owners and require a complete application and a deposit of \$300.00 from everyone wishing to reserve a pup. If I feel the puppy being sold to you does not meet my standards, I will refund your deposit 100%. If you do not wish to purchase the puppy, your deposit may be applied to a pup from the next litter but not refunded. Please make checks payable to Wendy Ward and mail to the address below. 100% of the deposit is applied to the total purchase price of the puppy. We will hold deposit for puppy but could take up to 6 weeks for us to determined which puppy is best fit ;for each home, and that will give us time to determine a show/breeding potential puppy to go to there homes first then to our Pet family homes, and if we produce any black tri or red tri puppies that have 1 or 2 blue eyes there price would change and that also couldn't be determined until 6 weeks, then you would have the option to still purchase the puppy or we will give your \$300 deposit back at that time, If you have any further questions, feel free to [contact us](#).
